Telephone service is a friendly
service. The people who op-
erate and maintain it take a
genuine satisfaction in serving
you pleasantly and well. People
who use the telephone a great
deal find that friendliness is an
instinctive habit. The telephone
helps folks to know each other
better.

If you drive with your lights on all
the time, you're 15 to 20% less
likely to be hit by another vehicle.
SO LIGHT UP AND BE SEEN.
