**IT'S IN YOUR
 BEST INTEREST
 TO CHECK FIRST**

If you plan to build or have to excavate, you can avoid accidental damage to cables by checking first.

Before digging starts,
 Call 1-800-242-3447
 (No Toll Charge)

For your own protection and your neighbours', it pays to make sure you are on "safe ground." A severed cable may put hundreds of telephones out of service.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
