4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

Think it over,
the decision
becomes clear...

IT'S IN YOUR BEST INTEREST TO CHECK FIRST

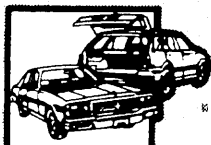

If you plan to build or have
to excavate, you can avoid
accidental damage to cables by
checking first.

Before digging starts,
Call 1-800-242-3447
(No Toll Charge)

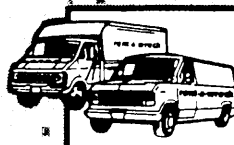

For your own protection and
your neighbours', it pays to
make sure you are on "safe
ground." A severed cable may
put hundreds of telephones out
of service.
