Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Don't forget to plan for

concealed telephone conduit

and convenient locations

for telephone outlets

when you build your new

home. These built-in tele-

phone facilities add real

value to a home yet their

cost is very small if they

are installed during

construction.

why make 2

calls instead of 1?

That's what you may be

doing when you fail to

look in your directory

first for the telephone

number you want—

before you call
