4 GOOD REASONS FOR  
 HANDLING COMPLAINTS  
 BY LONG DISTANCE

You can talk over matters at once.  
 Promptness often prevents loss of a customer.  
 You can build closer relations with customers.  
 You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

like "Show Business" -  
and these "Yellow Pages"  
"Show" You The Business  
In Your City.

Good news gets better  
when you share it with  
someone you love.

AGT  
LONG DISTANCE

If It's Not In The YELLOW PAGES™,  
Chances Are You Don't Need It.

People who are ready to  
buy turn first to the Yellow  
Pages. If you have something  
to sell or a service  
to offer, here's the  
place to tell about it. The  
"Yellow Pages" places your  
name, address and tele-  
phone number before the  
buyer at the very moment  
he wants your product or  
service. Call the business  
office for information.

Behind on orders? Let  
handy YELLOW PAGES  
introduce the suppliers  
you need. It's fast convenient.  
Wise buyers say  
there's nothing like the  
YELLOW PAGES of your  
telephone book for getting  
in touch with almost every-  
one around who sells  
things, fixes things, does  
things. Try the YELLOW  
PAGES once . . . you'll use  
them often.
