Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.

Have you tried the handiest shopping centre in town? It's right at your fingertips — the Yellow Pages of your telephone book. Quick "Yellow Pages" have solved many a buyer's problems. Let them help you get in touch with almost everyone you need who sells things, does things, fixes things.

The measurement of advertising media is circulation, volume of advertising carried public acceptance (usage), and economy. "Yellow Pages" meets every requirement and gives the bonus of permanence.
