Don't forget to plan for
 concealed telephone conduit
 and convenient locations
 for telephone outlets
 when you build your new
 home. These built-in tele-
 phone facilities add real
 value to a home yet their
 cost is very small if they
 are installed during
 construction.

Good news gets better when you share it with someone you love.

Telephone service is a friendly service. The people who operate and maintain it take a genuine satisfaction in serving you pleasantly and well. People who use the telephone a great deal find that friendliness is an instinctive habit. The telephone helps folks to know each other better.

People who are ready to buy turn first to the "Yellow Pages." If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.
