4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE

1. You can talk over matters at once.
Promptness often prevents loss of a customer.

2. You can build closer relations with customers.

3. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Don't forget to plan for
 concealed telephone conduit
 and convenient locations
 for telephone outlets
 when you build your new
 home. These built-in tele-
 phone facilities add real
 value to a home yet their
 cost is very small if they
 are installed during
 construction.
