4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

INJURY & FATALITY CLAIMS

*You
deserve full
compensation...
don't settle
for less*

ACCIDENT

32 years ago
James Brown's
sports career
ended when he
suffered a

broken neck in a head-on
collision with an uninsured
motorist. He understands the
pain and suffering caused by
tragic accidents and has hand-
picked a team of professionals
committed to fighting for the
rights of injured persons.

WRONGFUL DEATH

Loved ones cannot be replaced,
but an aggressive lawsuit can
often right wrongs, save others
from similar tragedy and help
give meaning to an otherwise
senseless death.

Practice Restricted to Plaintiff Personal Injury Litigation

RUSSELL

C O M P A N Y

Barristers Solicitors

HAVE YOU BEEN INJURED?

If so, you should seek prompt legal advice. Do not settle with the adjuster without detailed medical evidence, a knowledge of what your claim is worth, and experience in negotiations. You could be entitled to compensation for your pain and suffering, past and future loss of income, and past and future medical care costs.

RESTRICTED PRACTICE:

All lawyers in our firm handle only personal injury cases. We do not practice in any other area of law. We act only for the injured person, and never for the insurance company. We hold memberships in a number of related legal and medical organizations, as well as groups representing persons with disabilities.

EXPERIENCE:

Our firm has extensive experience in a variety of injury accident claims, including:

- Motor Vehicle Accidents
- Pedestrian Injury Cases
- Slip & Fall Injuries
- Bicycle Injury Accidents

We handle both serious and minor injury claims, including whiplash, spinal cord injuries, brain injury, amputations, burns, physical disfigurement, fractures, psychological injury, etc.

CLIENT TESTIMONIAL:

"Thank you very much for all you have done for me since my accident. I was very impressed with the communication even though I lived out of the city. I would certainly recommend your services to people in my area."

RETAINER POLICY:

- No cost / no obligation initial interview.
- Most cases will be handled on a contingency basis - - if no monies are received, you will pay us nothing.
- Most fees will be based on a percentage of the settlement or award received.
- You pay us nothing until your case is resolved.
- We will pay the litigation expenses to conduct the lawsuit.

TELEPHONE CONSULTATION:

When you call our office you will speak to a lawyer who will discuss your case with you and answer any questions you may have. We will advise you of the steps to be taken in your case and explain our retainer policy. There is no charge or obligation for this telephone consultation. A free personal injury information package is available on request.
