New Alberta Area Code

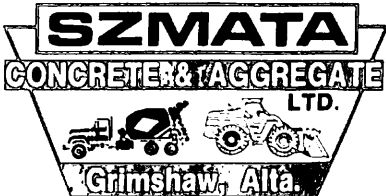

Alberta has a second area code
780, effective January 25, 1999.

Look in the front of the TELUS
White Pages under the New
Alberta Area Codes Page for
the communities that fall under
the new area code. The southern
part of the province retains area
code **403**. Advertisers in area
code **780** should show their area
code in all their advertising into
the telephone books of the **403**
territories.

Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.
