Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

The first oil strike in Alberta was in 1914 in Turner Valley. The Leduc field was discovered in 1947.

Alberta's first premier was Alexander Rutherford (1905-10). He was also the founder of the University of Alberta.
