We can make
the web work
for you

Expand your new business opportunities on the Internet with the help of our experienced web experts. We specialize in complete website development and maintenance and can build a website for you regardless of the size of your budget. We handle all the technical details and our award winning design team can develop everything from simple text pages to multimedia events with full sound and video. Don't be daunted by technology. We'll help your business grow into the next century. We can also:

- enhance your listing with links to your web page, display ad and e-mail address.
- visitors can find you by company name, keyword, heading and region.
- your listing in the TELUS Yellow Pages™ also appears on our website - alberta.com with over 1.5 million page visits a month.

For more information visit our website at

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE
You can talk over matters at once.
Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for a complaint and prevent similar complaints in the future.
