CATASTROPHIC INJURIES

Serious injuries change your life forever. Money can't take away the hurt but it can help you rebuild your life. One of our brain injured clients, the victim of a drunk driver, now leads a productive and independent life after receiving a recent multi-million dollar settlement, one of the largest settlements ever achieved in Alberta for this type of injury. Each year we assist persons who have suffered traumatic brain injury, quadriplegia or other tragic injuries. Put our experience to work for you.

WRONGFUL DEATH

Accidents involving loss of life require experienced legal counsel. Each year our firm assists numerous families who have suffered the loss of a loved one. We invite you to put our professional team to work for you.

INJURY LAWYERS

Established 1915

- **No fees or expenses** unless your case is successfully finalized. No hidden costs.
- **We are leaders in injury law**, setting the standard in Canada. By choice, we only represent the injured. We do not act on behalf of insurance companies.

- We have achieved **court awards** and settlements reaching \$5 million lump sum and \$30 million in structured settlement tax free payments (awards vary and are dependent on many factors including severity of injury, duration of loss and overall impact on your life).
- **Our success** with out-of-court settlements will likely save you the stress of court appearances.
- We often **assist other law firms** with difficult cases.
- **References** are available from doctors, other experts and our clients. Call for our free information brochure.
- **Serving you and your family** is our priority. Our dedication to you goes far beyond our contract. Call today at no cost or obligation for an initial meeting. Hospital and in-home consultations can also be arranged.

**If an injury has
turned your world
upside down,
our skilled lawyers can help
set it right.**

Injuries can change your whole life. They can rob you of your mobility. Your career. They can cause pain. They can erase memories. They can take away a bread winner, a care giver.

Money can't cure anything. But it can help rebuild a life after a serious injury. Therapy, re-education, counselling, personal care, the provision of barrier-free housing – these can make the difference between regaining a satisfying productive life after an injury, or suffering dependence, discouragement and frustration.

There are all kinds of success stories. Courageous people have overcome some of the most devastating injuries. But it takes more than a brave spirit. It takes money, too.

Count on Experience

Victims of injury need help from skilled lawyers if they are to gain the compensation they need and deserve. At Larbalestier Stewart, our lawyers have a combined total of over 60 years of experience in the Alberta justice system. We take your case through the legal process efficiently and without delay.

We have obtained for our clients tax-free, life-time payments providing in excess of \$16 million over the client's normal lifespan. Obviously compensation varies according to the severity of injuries, but at Larbalestier Stewart we have a reputation for getting results.

Finding the experts

We know the kind of experts it takes to help prove your case. We have access to a variety of respected specialists who provide informed effective testimony.

What about fees?

Larbalestier Stewart knows that most injured people and their families don't have the ready funds to fight a legal battle. That's why we will work on a percentage basis. We get paid after you win. When experts must be retained, special arrangements can be made to allow you to defer those costs, too.

Not all the help you need comes from the legal system

We are neither social workers nor counsellors, but we are often able to assist clients in finding the community resources needed to begin the journey to new and independent lives.

Larbalestier Stewart – Your choice for results

If you or someone near you has suffered an injury, contact Larbalestier Stewart and arrange for a free consultation. Our offices are accessible. So is our service.
