Health & Exercise...

Regular exercise strengthens the heart, improves circulation and muscle tone, controls weight, reduces cholesterol and stress, and improves sleep. Confidence in how you look and feel is important. Consult your Health Care professional before starting any exercise program.

Sunshine Village

Calling 9-1-1

Each year, in Canada, over three million calls are made to emergency services by cell phone Samaritans. When calling 9-1-1 in an emergency situation, here are some tips to keep in mind:

1. Advise the operator you are speaking on a cell phone.
2. Give the operator your 10-digit cell phone number, along with your full name.
3. Provide your exact location. If you don't know the exact location of the incident, try to mention landmarks or highway signs in the area.
4. Stay on the line until the operator says it is ok to hang up.
5. After you've hung up, leave your cell phone on in case the operator needs to call you back.

Driver Safety

Use your headlights both day and night to make your vehicle more visible to others.

Driving with your headlights on at all times could reduce traffic accidents by up to 20 percent.
