PAINTER'S TIP

Professional painters say the correct way to hold a brush is to grasp it comfortably near the handle base. Don't bear down on the brush. Just exert enough pressure to make the bristles flex slightly toward the tip.

HARD-COOK

To hard-cook egg yolks slip them into hot water and cook below boiling point five to eight minutes or until set.

Refresh your memory regarding the name of a firm or its location right here in these Yellow Pages.

The buying public won't forget you when you advertise in the YELLOW PAGES.

Your company is known by the voice that speaks for it. The voice with a smile wins!

Our Business Office will be glad to help with any telephone problem you may have.

GOING TO MOVE?

Don't forget the house you're
leaving behind.

Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.
