Have the right number
 when you call. It's natural
 to trust to memory but

 are not sure of a number
 won't you look it up in the
 telephone directory?

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can build closer relations with customers.
You can use tact in delicate situations. And because men talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
