4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.

You can build closer relations with
customers.

You can use tact in delicate situations.
And because people talk more
freely than they write, you can frequently
trace the real reason for the complaint
and prevent similar complaints in the future.
