AAASTRO TRANSMISSION & CLUTCH

IF YOU LOVE YOUR CAR USE ONLY A DYNO-TESTED TRANSMISSION. WE ALSO HAVE AN IN-HOUSE MACHINE SHOP.

I AM NOT HERE TO TAKE ALL YOUR MONEY!

HAVING A TRANSMISSION PROBLEM? COME AND SEE ME. HERE IS WHAT I WILL DO FOR YOU:

- FREE COPYRIGHTED DIAGNOSTIC TEST**
- I will test-drive the vehicle with the customer and seek the customer's input on the problem.
 - I will bring the vehicle into the shop, put it up on the hoist and check for leaks, minor set-up and adjustment problems, or for the possibility of minor repairs. Often this is all that is needed to get you back on the road as soon as possible. This is priority number one!
 - This Copyrighted Diagnostic Test is **FREE** of CHARGE.
 - I will bring you into the shop and show you the problem. Often, the Minor Set-Up/Adjustment problem can be done for ***40** and up, and you will be on your way.
 - If it is not a minor problem, I will explain to you what the problem is, and, if you decide to leave your vehicle with us one of my people can either drive you home or to your place of work, or I can fix you up with one of our 20 courtesy vehicles. Drive my car while I fix yours.

WHAT DO YOU GET?

A TOTALLY RE-MANUFACTURED AUTOMATIC TRANSMISSION FOR

\$215

WHAT DOES THIS MEAN?

Domestic, Three speed, Rear Wheel Drive Transmission, **Parts, Labour & Installation, PLUS** we will flush out and re-paint and re-install your Torque Converter. Most shops charge extra to do this. We only charge you extra if hard parts, such as the Torque Converter, cannot be re-furbished and absolutely have to be replaced. Other shops claim to replace all hard parts **FREE**. They do not. If you have hard parts that need replacing, we will tell you immediately and quote you a firm price for these parts. All prices are 'exchange'; based on the assumption that your old transmission is re-buildable. Old transmissions are not returned.

- 3 Spd. Auto. Overdrive Transmission \$450**
- 3 Spd. Auto FWD Transmission \$450**
- 3 Spd. Auto 4x4 Transmission \$450**
- 3 Spd. Auto. Overdrive FWD Transmission \$695**

Prices in effect for the duration of this directory.

We also sell pre-tested transmissions that you can install yourself.

WHEN YOU COME TO SEE US THIS IS WHAT YOU'LL FIND:

- We have the largest transmission shop in Alberta with 27,000 sq. ft. of area.
- We have **TWELVE** Service Bays (Eight for Cars, Light Trucks and Vans, and Four for Trucks and Heavy Vehicles).
- We have a full building-width overhead crane for Heavy Vehicles.
- We have fully warranted, Re-manufactured Transmissions
- Our prices are a full **33% to 50%** less than other comparable shops.
- WE HAVE THE ONLY DYNO-TESTER IN ALBERTA.** A DYNO-TESTER simulates your vehicle. It's 9 gauges give accurate readings of each component of **YOUR TRANSMISSION BEFORE INSTALLATION.**
- We service approximately 25% of the Calgary market, plus a good share of the Out-of-town market.
- NO HIDDEN COSTS** or **SURPRISES.** You only pay for what you get and you only get what you pay for.

BEFORE YOU COME IN THIS IS WHAT YOU SHOULD AND SHOULD NOT DO:

DO NOT be fooled by cheap 'Transmission Service' 'Come ons'. They are usually just a way to get you in and get your vehicle up on a hoist. Once the Transmission has been opened, you are at their mercy and will rarely get away without a several hundred dollar bill.

DO NOT buy a transmission that has a Lifetime Warranty at high extra cost. You will find yourself tied in to an expensive annual service call and, if you miss one service, your warranty becomes null and void.

DO NOT take your vehicle to anyone that will not quote you a price until they have dropped the transmission out of your vehicle. You will not easily get away without a minimum ***300** bill. If you find yourself in that position, **DO CALL ME.** I will have your vehicle **towed here at no cost to you**

DO NOT take your vehicle to someone who advertises that he will replace your transmission for ***224, *225, *235, *275, or *295**, irrespective of what the transmission is or what is wrong with it. This is unrealistic and dishonest. Sadly we hear these stories every week and the usual outcome is that it **always costs more.** **DO NOT** be taken in by 'Nation-Wide' Franchises. I have worked for them and know their ways. My prices are not set by a Franchise Head Office in Eastern Canada or the United States, whose only object in life is to maximise profits at your cost. **We do not have to pay franchise fees.** We are a one location, Low Overhead Operation.

DO NOT take your vehicle to little known or fly-by-night operations because they are 'cheaper'. **THEY ARE NOT.** In the long run you will end up spending much more.

DO come to the shop that does what it says it will. I am not afraid to put my picture in our advertisements because I am not here to rip you off. My shop has the lowest rate of come backs. We have even sold our transmissions overseas. **DO** call us. You will be glad that you did.

FREE DIAGNOSTIC TEST • FREE INSPECTION • FREE TOWING IN TOWN • 20 FREE COURTESY CARS

REMEMBER, Dealerships and the Automotive Industry **BUY FROM US!** We charge the same wholesale price to you as we do to them. **COME AND SEE ME.**

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

A-1 AASTRO TRANSMISSION & CLUTCH

I AM NOT HERE TO TAKE ALL YOUR MONEY!

YOU ALREADY HAVE A USED TRANSMISSION!

I will put another used transmission in for you if you like, but you will find that my **TOTALLY RE-MANUFACTURED TRANSMISSION** prices will compare very favorably with the Wrecker's used transmission price, and with a full warranty. Think about it! I have a **DYNO-TESTER** on which I can pre-test your transmission before installation. The nine gauges on my Dyno-Tester will give me an accurate reading of every component of your transmission.

- My shop offers you all of this, and...
- Inside Storage in a secure building while in our care where your vehicle will be safe.
 - We are the largest transmission shop in Alberta.
 - We have TWELVE Service Bays (Eight for Cars, Light Trucks and Vans, and Four for Heavy Trucks) plus a full building-width overhead crane for Trucks and Heavy Vehicles.

Unlike Wreckers, I am not a 'Jack-of-all-Trades' and 'Master-of-none'. I specialize!
TRANSMISSIONS, DIFFERENTIALS, CLUTCHES, and DRIVE TRAINS are what we are expert at, and that is what we do!

YOU WILL FIND MY RE-MANUFACTURED TRANSMISSION PRICES TO BE 1/3 - 50% LOWER THAN OTHER, COMPARABLE QUALITY SHOPS. NO OTHER SHOP HAS A DYNO-TESTER!

all prices in effect for the duration of this directory

REMEMBER, Dealerships and the Automotive Industry **BUY FROM US!** We charge the same wholesale price to you as we do to them. Find out for yourself. **COME IN AND SEE ME.**

Put more sell in your selling day - with an advertisement in the Yellow Pages, you can reach more prospective customers by advertising in this handy buyer's guide. Thousands of people regularly use the "Yellow Pages" as an answer to their buying needs.

If you have a product to sell, or a service to offer, here's the place to tell your prospects about it.

Look in the yellow pages index first.

The index has many cross references which help you find the services you are looking for. For example, if "Doctors" comes to mind, our cross reference will refer you to Physicians & Surgeons.
