ALWAYS A CLEAN STEP AHEAD

Dear Customer,
We take our commitment to your personal environment seriously at Alberta Carpet Cleaning. That's why we use the Homesafe Thermo-Rinse truck-mounted steam-cleaning system. Unlike ordinary cleaning methods that can leave potentially toxic chemical residue in your carpet, the fast drying Thermo-Rinse system uses a residue free clear water final rinse. Anything less just isn't carpet cleaning.

Yours truly

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer. You can build closer relations with customers. You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
