**4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE**

You can talk over matters at once.  
Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Inter-Provincially Licensed

**One low package price** whether we rebuild your own or install our rebuilt transmission. Total labour, new master parts kit with all normal wear & tear parts and refurbishing. Hard parts replacement, only if required, costs extra.

**Nobody can beat our price on quality and service comparison. Why? Economies of scale. We service about 25% of Calgary's transmissions.**

- In-house machine shop (most shops do not have this facility).
- Computerized diagnosis.
- We install rebuilt-NOT USED-hard parts

**You know your car best!**  
**We will test drive the car with you and express an opinion at no charge. We look for minor repairs first. No appointment necessary.**

**12 gauges and all speed variations.**  
**TEST drives your transmission prior to installation, hence we have the lowest warranty come-back & THE AUTO INDUSTRY BUYS OUR TRANSMISSIONS.**

**Free towing within the city with any repairs. Corporate rate car rental contract available with pick-up and delivery service.**

diagnostic checkups - in some cases a dishonest ploy to sell a new transmission, be careful.

- **\$200** - Customer charged \$950 for poor quality workmanship. No licensed mechanic employed. Same day service advertised, but vehicles not ready for over two weeks.
  - **\$224** - Did not include hard parts, converter or labour, though advertised. A general repair garage with no transmission expertise
  - **\$225** - A misleading advertisement, price was for over the counter sale. Installed price \$1,200. The ad read, "Our jobs start with top quality" but customer had to return five times for rework. It is not worth the aggravation.
  - **\$275** - Replaced just one faulty part with a used part and sold it as a fully rebuilt transmission. Unsafe. Check out their facility.
  - **\$295** - Free hard parts and free torque converter had been advertised, but without exception customers were told their vehicles required special custom production, so did not fit the criteria. The final price, \$1,500. Be very cautious of shops that advertise numerous free services, this is nonsense, everything cannot be free. There is always a catch. Solution - insist on paying the false advertised price up front!!
  - **\$590** - For front wheel over drive - customer asked to pay \$2,500. Free inspection was advertised but not given. Shop did not have speciality tools.
- ▲ High price shops and franchise operations will be up to 50% higher than our price. They charge \$295 to give you a quote and add 5% for shop supplies and 3% enviro charges. If caught there, telephone us. Our quote is part of the package price plus cost of hard parts if required as our prices are not set by franchise head offices in the U.S.A. or Eastern Canada. We do not have to pay 15% franchise fees and we pass on this saving to customers. Be safe - deal with established shops only.

**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**

You can talk over matters at once. Promptness often prevents loss of a customer.  
You can build closer relations with customers.  
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

**4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE**

You can talk over matters at once.  
Promptness often prevents loss of  
a customer.

You can build closer relations with  
customers.

You can use tact in delicate situations.  
And because people talk more  
freely than they write, you can frequently  
trace the real reason for the  
complaint and prevent similar complaints  
in the future.

★ AGT DIRECTORY DOES NOT request payments to be sent out of province.

★ AGT DIRECTORY PROVIDES directories to all telephone subscribers, not just those who advertise.
