Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE
You can talk over matters at once. Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

IN THE PUBLIC INTEREST

If you are injured in a motor vehicle accident and have a claim, you should seek legal advice immediately – before you discuss the matter with an insurance adjuster and before signing any documents.

You should understand that adjusters work for the insurance company and their interests may be directly in conflict with yours. Adjusters are under no obligation to inform you of your rights, and in many cases are not even qualified to do so. To protect your rights, call us (phones answered 24 hours).

Compare your advertising in the "Yellow Pages" to your competitor's. What is your competitor offering? Do you offer more? Tell your customers all they need to know in your "Yellow Pages" ad.

DON'T KEEP IT A SECRET!
 Tell the ready-to-buy people about the products and services you sell. Advertise in the YELLOW pages! Display the brand names of the products you sell and repair. Make it easier for people to buy from you.

FIND WHAT YOU WANT — WHEN YOU WANT IT — PRODUCTS — DEALERS — SERVICES — PROFESSIONS are listed . . . by classification. . . throughout these pages. You can find almost anything you need quickly and easily when you use **THE YELLOW PAGES.**

People who are ready to buy turn first to the "Yellow Pages." If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
