

TELUS Yellow Pages™

Get maximum exposure

Put your business in the book that reaches customers 24 hours a day, 365 days a year. Nine out of ten adults consult it at least 76 times a year and 75% of them follow up with a phone call or visit.

Located at the front of your directory, TELUS Yellow Pages™ Coupons are at your customer's fingertips when they are ready to buy. And, because they're located in the directory, they'll be around for the entire year.

The TELUS Talking Yellow Pages™ offers useful information on everything from the latest lottery numbers to removing a carpet stain. Reach the masses by sponsoring lotteries or horoscopes or, if you prefer a more targeted approach, sponsor one of our information guides.

alberta.com is our web site and 17,000 potential customers drop in daily. If you're in the book, you're on the web. We can even give you a hotlink to your own home page. Don't have a home page? Don't worry. We'll even help you create one.

and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.
