AN AD IN THIS BOOK
CAN GO A LONG WAY.

ARE YOU FED-UP WITH YOUR DIRTY CARPETS?

CALL RON'S CARPET CLEANING 933-2542

As you probably know, outdoor air contains pollens, fungus, bacteria, air pollution, cigarette smoke, car exhaust-and hundreds of other chemicals. When you come into your home, you carry those pollens, bacteria and chemicals in your hair and on your skin, clothing and shoes. Not surprisingly, all those chemicals and toxins wind up in your carpet.

If you have allergies, asthma, emphysema, or other breathing problems-one major source of your problem could be the pollens, fungus, smoke and chemicals in your carpet.

WANT TO GET RID OF THESE POLLUTANTS!

We use the most thorough cleaning method there is. Our method doesn't leave a residue and is very powerful. So powerful that it cleans way down to the base so your carpet will look its very best again, and stay clean longer. In fact our method is so good it is recommended by Shaw Industries-the world's largest carpet manufacturer.

TRAINING & IICRC CERTIFICATION

You can rest assured because you are dealing with a certified firm-which means that we have agreed to abide by a strict code of ethics. We are certified technicians, meaning that we have undergone, and continue to undergo extensive training as it relates to our industry.

100% NO-RISK GUARANTEE

As the owners, we want you to be super-pleased-in fact, absolutely delighted-with every carpet and upholstery job we do. So every job comes with our ironclad, risk-free guarantee. What does that mean? Simply this: if you aren't happy with our work, we'll reclean the area for free. And if you're still not satisfied you can have your money back. Nothing is more important than your complete and total satisfaction. We stand behind every job 100%
