#### 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.  
Promptness often prevents loss of  
a customer.

You can build closer relations with  
customers.

You can use tact in delicate situa-  
tions. And because people talk more  
freely than they write, you can fre-  
quently trace the real reason for the  
complaint and prevent similar com-  
plaints in the future.
