However, if you are not being treated fairly, we are prepared to take your case as far as necessary to get the best results for you.

We'll Relieve Your Financial Burden.

People injured in an accident are often surprised to find that court costs, medical and other expert reports alone can easily run hundreds, even thousands of dollars. The policy at our law firm is simple. We pay all the advanced costs on your behalf. These costs are part of your claim and we will be repaid when your claim is settled. That's our policy... we think that's how it should be.

Home, Hospital, Evening and Weekend Appointments

If you are unable to come to our office, we will meet with you in your home or at the hospital.
