Safety in the Sun

A few suggestions:

Protect yourself
with sunscreens.

Stay out of the sun
from 11:00am to 4:00pm
when the sun's UV
radiation is
the strongest.

Be sure to wear a
wide-brimmed sun hat.
Wear protective tightly
woven clothing.
Dark colours give
more protection.

Safety in the Sun

A few suggestions:

Protect yourself with sunscreens.

Stay out of the sun from 11:00am to 4:00pm when the sun's UV radiation is the strongest.

Be sure to wear a wide-brimmed sun hat. Wear protective tightly woven clothing. Dark colours give more protection.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
