**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

## IMPORTANT CONSUMER TIPS

Average service time is 1 hr.  
Rebuilding and Installation min. 8  
hrs. Technician's salary \$17.00/hr.  
Parts cost 40%. So, how can service be  
only \$19.90 and fully rebuild  
transmission or new clutch \$300.00?  
Often there are hidden charges or just  
the failed part is replaced  
Will warranty be honoured?  
Caution is advised.

In asking for 'rebuild' or 'worse case  
scenario' price, you open yourself to  
major expense instead of minor  
repairs

Some shops charge up to \$400.00 for  
estimates. Their prices are up to 40%  
higher than AASTRO's where  
estimate is free customer service

How  
to be a  
Local Hero

## Feel Good

Give your time or money to a  
cause you believe in and see how  
good it makes you feel. The nice  
thing about being a Local Hero  
is that you always get back more  
than you give. Be a Local Hero.

giving and volunteering.
