Safety tips for KIDS

Your key:

Keep your key hooked onto you in some safe way. Keep your key a secret, even from your friends. Nobody but your contact person needs to know that you are going to be home alone. Your parents will want to give an extra key to your contact person. Then if you lose your key, you can go to your contact person for help.

PARENTS: Teach your children how to be safe

**4 GOOD REASONS FOR
 HANDLING COMPLAINTS
 BY LONG DISTANCE**

You can talk over matters at once.
 Promptness often prevents loss of
 a customer.
 You can build closer relations with
 customers.
 You can use tact in delicate situa-
 tions. And because people talk more
 freely than they write, you can fre-
 quently trace the real reason for the
 complaint and prevent similar com-
 plaints in the future.
