Garbutt Business College

Public Works Building, Lethbridge, Alta.

Largest - Strongest - Best

THE confidence of the public is the best testimonial any school can offer. The Garbutt Business Colleges, ten in number, stretching from the Atlantic to the Pacific are the largest, strongest, best schools wherever located. Last year the total enrolment of these schools exceeded 5,000 students. Like all progressive institutions our schools grow and expand. Those who attend have the advantage of modern courses and methods compiled by experts. The Garbutt School is athrob with life. It is a modern institution with high ideals, progressive ideas and sound methods of instruction. The cost of a business course will be repaid you many times. It is not an expenditure but an investment that pays big dividends. Your decision to take a business training will be your Declaration of Independence.

You CAN If You WILL

OUR pay-when-you-get-a-position plan speaks as nothing else could of the demand for Garbutt graduates. This plan makes it possible for everyone to get a business education. If you say "I can't" you simply mean "I won't."

because you can if you will. The great difference in people is not a difference of ability or a difference of opportunity but a difference of decision or will power. You either have the opportunity now to get a training in business or you can make the opportunity. You'll never be able to say "I never had a chance." Give yourself a chance—get a business education. We have a little pamphlet called "Here's \$36,000—Do You Want It?" It's yours for the asking. Send for it to-day. Now is the time. Be a doer not a dreamer, a worker not a wisher.

We Are Members

of the National Association of Accredited Commercial Schools. These schools have standardized business education in the United States and Canada. They are schools of large performances rather than of large promises.

Evening Classes meet Monday
and Thursday

Individual instruction is given by competent and courteous teachers. We treat each student as if he were the only student. Here is the opportunity to increase your earning capacity and prepare for a better position.

Individual Instruction

allows for a student being a human being instead of a machine. Backward students make good progress and clever students excel at this College. Isn't this the kind of instruction you want?

Garbutt Graduates Get Positions—not Jobs

Canada's Largest Motor School

This class was in attendance last year. It advertised us so well that this year our classes are from three to four times as large.

Our Students

We are proud of our students. Wherever they are located, they are "making good." Some are automobile mechanics; some, tractor engineers; others are chauffeurs, vulcanizers, battery repair-men, welders and garage owners. Write us for a list of students and the positions they are holding, and satisfy yourself of their success.

We have had students from Vancouver to Newfoundland and from Salt Lake City to Peace River District. In our classes have been men from South Dakota, Utah, Montana, Newfoundland, Prince Edward Island, Manitoba, Saskatchewan, British Columbia and Alberta.

A number of these are garage and tractor men of years of experience. They have come to us to take a finishing course, as we have facilities for instruction that no garage in the country can afford. Garages are endorsing our methods. Garage owners are sending their sons to us for training and are calling on us for mechanics.

Repairs at Cost

We will overhaul or repair automobiles, tractors, tires, batteries and weld breakages at practically cost.

Our students do this work under the closest supervision of our instructors.

Write us before sending in your work as this feature is so popular we cannot guarantee to accept unless notified in advance.

We have for sale new Cloverleaf Tires, guaranteed by the makers for 4,000 miles, at a price that will save you from \$5.00 to \$10.00. We also have new, guaranteed batteries for sale that will save the purchaser from \$6.00 to \$12.00.

Write--Investigate

We want to hear from every man interested in an Automobile, Tractor, Tire Repair, Welding or Battery Course. Write us today. The best way to judge a school is to make a personal inspection. We cordially invite you to visit our school and see for yourself what we have to offer. If you cannot come yourself, have you not a friend whose judgment you can trust, to investigate for you? It always pays to investigate carefully. We do not want you to come to us unless you are satisfied we can give you the instruction you desire. We know we can.
