Please Speak DIRECTLY INTO THE Telephone.

Your friends will find it more pleasant conversing with you by Telephone if you do this.

They will hear exactly what you say clearly and distinctly, if you say it directly into the Telephone, instead of to the room at large.

IF YOU are in business

ASK YOURSELF THESE QUESTIONS:-

- Where is there a more obvious place for a prospective customer to look for something which he desires to purchase, or a service he wishes to use, but doesn't know where to obtain it, than the

Classified Section of a Telephone Directory?

- Where is there any other publication covering the field in the same way, in a form which is kept from day to day for the full life of the issue, and which if destroyed is replaced?
- Where by any other method can the field of business be covered at such low cost?
- The Telephone Directory is a publication unique in itself, and your advertisement cannot be lost during the life of an issue.
- Telephone subscribers represent purchasing ability — when a home has a telephone it also has money to spend. So there is no waste circulation; everywhere a Directory is placed there are prospective customers.

YOU

can take advantage of this by completely classifying all your lines under their various classifications and by Display Advertising in the

“Yellow Pages” of Your Telephone Directory
