IMPROVE YOUR TELEPHONE SERVICE!

By adopting the following suggestions you will get better service, save time and make your telephone a valuable business and social asset.

ON OUTGOING CALLS

Always consult the Directory to make sure you call the right number. If you do not find the name in the book, call "Information."

Speak clearly and distinctly, directly into the transmitter.

When you have finished talking, say "good-bye" and replace the receiver on the hook.

Be Courteous. Rudeness and indifference drive away trade; courtesy and attention secure it.

Be Brief. Time is of value to others as well as to yourself, and by unnecessarily monopolizing the telephone you are delaying service to other subscribers.

ON INCOMING CALLS

Answer your telephone promptly and courteously.

Announce your telephone number when answering a call. Don't say "Hello."

Listen attentively so that you will not have to ask the caller to repeat his message.

Remember, courtesy and consideration win friends for you; discourtesy and rudeness create enemies.

Buying Your Goods Right

Is a problem you can solve very easily so far as Groceries are concerned. If you live in the City buy from the store that has done away with high Delivery Costs and Book Accounts. The saving comes off the goods. We do business on a smaller margin because our expenses are less in proportion to the amount of goods sold. Ours is the only system whereby prices can be lowered. If you live in the Country write for our Monthly Catalogue and buy by mail. Your orders will receive the same careful, prompt attention as though you were here personally.
