This Way —to Broader Markets

Right at your elbow is your Long Distance telephone. With it, you can talk with any of 100,000 telephones in Alberta, Saskatchewan and British Columbia.

"Clear the Way!" Long Distance seems to say—"here's an important message!"

For there is something impressive about a Long Distance call. The customer is favorably impressed before he knows what the message is about. And Long Distance gives you the right of way into every man's office. He can ignore your advertising, your letter, or even your traveller, but ignore a Long Distance call? Instinctively he reaches for the telephone!

Keep down selling expense. Use your "Silent Partner." You will be amazed to find how many people can be sold your product by Long Distance—quickly—economically.

If you have several calls to make, our Local Manager can arrange to have one follow the other. Think of him as the Manager of *your* telephone service. He can suggest ways of applying Station-to-Station service to your business.
