Time is the Essence of Human Affairs

"ON TIME"—"SAVE TIME"—"TAKE TIME"—every minute of the day we measure effort against the relentless clock.

Twenty-four hours make a day for the diligent or the loafer and to crowd the maximum result from the flying minute is the business of the best.

No single agent will do more to conserve energy and speed results than the Long Distance Telephone.

Do you know that four hundred words can be exchanged in ordinary conversation over the telephone in three minutes?

Do you know that your telephone can be connected to another in Alberta or any town on the North American Continent in less time than it takes to eat your breakfast?

You do know that your reply is instant.

A Long Distance call is an important message. It is handled with the urgency it deserves and receives the prompt attention of your customer.

To Save Time—Telephone!
