SERVICE - SPEED - SATISFACTION

The Telephone
had
Made the
Trip

while the
Letter was
Getting
Ready;

He was writing a letter — an urgent message to a far-away business associate. If it would only reach him today, instead of a week from now!

Why not use the LONG DISTANCE TELEPHONE?

Good idea! He was speedily in touch with his party, and he delivered the message, with his own voice, in the space of a few minutes. No need to finish the letter!

The telephone had made the trip while the letter was getting ready!
