For Fast, Easy Reference Make Note of the Numbers You Call Frequently

Include area code when calling long distance within Alberta

Advertiser Beware

A number of "classified advertising directory" firms send out mailings to Alberta businesses. Some of these firms actually include a cut-out of an ad taken out of our Yellow Pages™ directory.

Beware of Imitators

Classified Business Pages
Classified Directory Publishers
NTELE - Directory
Telepages Inc

These firms and others like them, are in no way associated with any of the TELUS group of companies nor the telephone directories published by our company.

Telus Advertising Services

Some of the ways you can detect the difference between an imitator and our company:

- We do not send out a solicitation form which resembles an invoice.
- We do not, under normal circumstances, request payment in advance of publishing.
- We do not request payments to be sent out of province.

TELUS Advertising Services provides directories to all telephone subscribers, not just those who advertise.

Exercise caution and read the material carefully.

If in doubt, please call our *Yellow Pages*™ customer service number
Calgary (403) 204-5400 or 1-800-661-4260 (toll free).

This year get the Power of Yellow working for you. TELUS Advertising Services
