POWER TOOLS

No doubt about it, TELUS directory advertising is a powerful tool to have in your marketing arsenal...a tool that gives you the power of choice.

With hundreds of options to choose from, you can customize your advertising to get your customer's attention, get them interested, convince them that you have something of value, and get them to take action.

THE TELUS DIRECTORIES

If you need to reach consumers at the precise moment they are ready to buy, the Power of Yellow in the TELUS directory can do it for you.

THE WHITE PAGES

If you want your customers to find you easily, the Power of Yellow in the TELUS White Pages will make your company stand out.

THE INTERNET

If your business is listed in a TELUS directory, you're automatically listed on the Internet for free! Link your listings with a home page or e-mail and give customers from around the globe access to your product or service.

OTHER MARKET ADVERTISING

If your goals are far reaching and you want to advertise outside your local directory area, one call to TELUS Advertising Services can open the doors to other markets.

INSIDE COVER, OUTSIDE BACK COVER OR TABS

If you need high-profile placement, consider the inside cover, back cover or Tab positions...seen by virtually every person who uses the book for any reason, every day.

LISTDIRECT

If you want to use direct marketing to get in touch with your customers in a cost-effective manner, ListDirect is the place to call for help.

NUMERICAL & STREET ADDRESS DIRECTORY

A powerful marketing tool, the Numerical & Street Address Directory reverses the listings found in the Calgary White Pages and gives them to you in numerical order by both phone number and by address.

OTHER MARKET DIRECTORIES

Whether for business or pleasure, using directories from outside your area can help you get in touch with other Canadian or international markets.

COUPONS

Stay in front of your customers as well as the competition all year long, with the TELUS Coupons. The Coupons are easy to spot with their own special section at the front of the directory, clearly visible even when the book is closed.

INTERNET GUIDE

Use an inexpensive and effective way to promote your web site, demonstrate your Internet involvement and your willingness to reach the customer. Advertising in the Internet Guide is an excellent way to position your business as an industry leader and a source of sound consumer tip information.

VIDEO PRODUCTION

Corporate promotion, training, commercials, or streaming video for your web site - put the power of video to work for you, with TELUS Video Production services.
