When Telephoning Advertisers

Please Mention the
Telephone
Directory

Are You Properly Classified?

IT is important to your business that prospective buyers should find your name in the Telephone Directory under any and every Classification covering your activities

If you are a Plumber, Electrician, Heating Contractor, Sanitary Engineer and Steam-fitter, you may be losing a large amount of business by remaining content with the one classification to which you are entitled free of charge.

Comprehensive Classifications and judicious advertising which reaches all classes of the community may be obtained by you at a minimum cost.

Consult us if you wish to increase your business.

Brings the Farm to Town

NOW that he can order it at once by Long Distance from his favorite dealer in village, town or city, nothing is too good for the farmer. "You advertised a special sale of phonographs in today's paper. Ship me one"—he telephones.

Within the same convenient radius of your store are scores of thrifty housewives who would be pleased to have a merchant solicit their trade by Long Distance. Even if a sale does not result, you have advertised your business in a very effective way. They will probably call when they come to town, or order from your advertising. It's human nature.

A tire dealer called up 29 strangers by Long Distance and sold tires to 8 of them. A follow-up letter or personal call later brought nearly all the others to his store.

Don't let your telephone idle. Long Distance can bring suburban prospects within sound of your voice. Turn it into a salesman, and keep it busy. Every other means of communication is a substitute for the voice—the voice is **YOU**.

Think of our Manager as the Manager of your Telephone Service.

Directory Advertising

EVERY telephone in Alberta has a Directory by its side every day of the year.

The Directory is used thousands of times daily.

It is never thrown into the waste-paper basket until a new edition is issued. Probably no other publication can make a like claim to continuity of circulation.

The Telephone Directory is used for innumerable purposes—general information, correct spelling of names, street addresses, buying and selling, etc.

There are many ways in which the Directory may become of additional service to subscribers—extra listings may be arranged for, by which a subscriber to Exchange Business Service may have the names of any companies he represents, or of any employee or agent, listed in the Directory, at a nominal charge, and where two persons are sharing the same residence they may both be listed in the Directory for a small extra charge.

The following Directories are issued by the Alberta Government Telephones:

Northern Division.	Calgary and District.
Medicine Hat and District.	Lethbridge and District.

Our low rates and the ever-increasing circulation of the books render Telephone Directory Advertising the cheapest and most effective form of publicity you can buy.
