A Good Investment

THE man who advertises wisely invests his money so that it will produce good dividends.

* * *

An Advertisement in the Alphabetical Section of the Telephone Directory is an investment that gives you the widest publicity you can obtain, at a minimum of cost. A series of head or foot lines, running through this section of the book, will familiarize the public with your name, and the service or commodity in which you specialize, to an extent that no other advertising medium can equal.

* * *

The Classified Section of the Telephone Directory brings you into direct touch with buyers—It reaches them at the psychological moment—when they want to buy something. Be sure that every branch of your business is properly classified—otherwise your trade may go to those who have availed themselves of the opportunity you have neglected.

* * *

Directory advertising is both effective and economical—Every time the Telephone is used the advertisements in the Directory become active salesmen!

* * *

Keep your name constantly before the buying public by advertising in both sections of the Telephone Directory, and the persistent reiteration of your sales message will prove to be a sound investment that will earn increased dividends for you.

Brings the Farm to Town

NOW that he can order it at once by Long Distance from his favorite dealer in village, town or city, nothing is too good for the farmer. "You advertised a special sale of phonographs in today's paper. Ship me one"—he telephones.

Within the same convenient radius of your store are scores of thrifty housewives who would be pleased to have a merchant solicit their trade by Long Distance. Even if a sale does not result, you have advertised your business in a very effective way. They will probably call when they come to town, or order from your advertising. It's human nature.

A tire dealer called up 29 strangers by Long Distance and sold tires to 8 of them. A follow-up letter or personal call later brought nearly all the others to his store.

Don't let your telephone idle. Long Distance can bring suburban prospects within sound of your voice. Turn it into a salesman, and keep it busy. Every other means of communication is a substitute for the voice—the voice is **YOU**.

Think of our Manager as the Manager of your Telephone Service.
