

# Directory Advertising

EVERY Telephone in Alberta has a Directory by its side every day of the year.

\* \* \*

The Directory is used thousands of times daily.

\* \* \*

It is never thrown into the waste-paper basket until a new edition is issued. Probably no other publication can make a like claim to continuity of circulation.

\* \* \*

The Telephone Directory is used for innumerable purposes—general information, correct spelling of names, street addresses, buying and selling, etc.

\* \* \*

There are many ways in which the Directory may become of additional service to subscribers—extra listings may be arranged for, by which a subscriber to Exchange Business Service may have the names of any companies he represents, or of any employee or agent, listed in the Directory, at a nominal charge, and a subscriber to Exchange Residence Service may have the name of a bona-fide member of his family listed in the Directory for one dollar per line per issue.

\* \* \*

The following Directories are issued by the Alberta Government Telephones:

Calgary and District.	Northern Division.
Lethbridge and District.	Medicine Hat and District.
Peace River District.	

\* \* \*

Our low rates and the wide circulation of the books render Telephone Directory Advertising the cheapest and most effective form of publicity you can buy.

\* \* \*

For further particulars and rates apply

**X-Ray***Health Is Your Greatest Asset***Neurocalometer**

# THE HUMAN BODY

is subject to many weaknesses and disorders that may be corrected by  
Chiropractic.

**DR. CHAS. MAYO, OF ROCHESTER, SAYS:**

"The drugless healer is one of the greatest benefits of the present generation."

More than 15,000,000 people were treated Chiropractically last year.

Our Practitioners number 22,000 in Canada and U.S.A.

Chiropractic is the fastest growing Health Method of the day—There is a reason!

## METHOD OF PRACTICE

The modern Chiropractic Health Method consists of determining the location and degree of energy deficiency in the body, by use of a scientific instrument recently invented for that purpose—the Neurocalometer. X-Ray is then employed to reveal the most accurate way of correcting those conditions which are causing disease. Energy flow is again measured from time to time, a close check is kept upon the progress of the patient, until normal energy flow to all organs of the body is established. When this is accomplished health is assured.

Chiropractic removes the cause—NATURE cures.

**DR. IRVING**  
Lethbridge

## CHIROPRACTIC CASES ONLY

A painstaking examination is made of each individual to determine whether their's is a condition that will respond to Chiropractic adjustments. If not, the case will not be accepted.

While Our Health Service has a remarkable record in the correction of chronic diseases, the most outstanding results have been obtained in acute disorders.

Below are listed according to their causative location some of the more common ailments which we have successfully cared for over a period of ten years:

- 1.—Headaches, head noises, loss of memory, speech, etc.
- 2.—Eye diseases, nervousness, sleeplessness, epilepsy, hay fever.
- 3.—Bronchitis, neuritis, numbness of hands, arms or shoulders.
- 4.—Wry neck, asthma, after-effects of 'flu, heart trouble.
- 5.—Pleurisy, cardiac asthma, dizziness, goitre, tonsillitis.
6. & 7.—Liver trouble, gall stones, heartburn, loss of appetite.
- 8.—Various stomach disorders, ulcer, gastritis, indigestion, etc.
9. & 10.—Anaemia, general weakness, diabetes, intestinal disorders.
- 11.—Kidney troubles, rheumatism, skin diseases, acne, etc.
- 12.—Weak back, lumbago, appendicitis, constipation, diarrhea.
- 13.—Piles, urinary disorders, female troubles, etc.
14. & 15.—Sciatica, weakness of extremities, pain and swelling of limbs.
