

Directory Advertising

EVERY Telephone in Alberta has a Directory by its side every day of the year.

* * *

The Directory is used thousands of times daily.

* * *

It is never thrown into the waste-paper basket until a new edition is issued. Probably no other publication can make a like claim to continuity of circulation.

* * *

The Telephone Directory is used for innumerable purposes—general information, correct spelling of names, street addresses, buying and selling, etc.

* * *

There are many ways in which the Directory may become of additional service to subscribers—extra listings may be arranged for, by which a subscriber to Exchange Business Service may have the names of any companies he represents, or of any employee or agent, listed in the Directory, at a nominal charge and a subscriber to Exchange Residence Service may have the name of a bona-fide member of his family listed in the Directory for one dollar per line per issue.

* * *

The following Directories are issued by the Alberta Government Telephones:

Calgary and District.	Northern Division.
Lethbridge and District.	Medicine Hat and District.
	Peace River District.

* * *

Our low rates and the wide circulation of the books render Telephone Directory Advertising the cheapest and most effective form of publicity you can buy.

* * *

For further particulars and rates apply

ALBERTA GOVERNMENT TELEPHONES

119 SIXTH AVENUE WEST

CALGARY

"I want my telephone put back, please"

HARDLY a day passes but that some person who gave up his telephone service in recent months orders it restored. In many cases, people feel that it is false economy to be without a telephone . . . that the small cost of the service is repaid many times each month in convenience, in time and actually in money saved.

Some miss the close and personal contact with friends that telephone service makes possible. Others mention the loss of many pleasant, impromptu social "get-togethers" when their friends are unable to reach them by telephone.

It is all true . . . what these customer friends of ours say: Telephone service costs so little and its value is so great that in most instances it really doesn't pay to try to do without it.

If *you* are missing your telephone . . . just get in touch with our business office. We'll send a man out with a telephone in a hurry.

Alberta Government Telephones, CALGARY

“I want my telephone put back, please”

HARDLY a day passes but that some person who gave up his telephone service in recent months orders it restored. In many cases, people feel that it is false economy to be without a telephone . . . that the small cost of the service is repaid many times each month in convenience, in time and actually in money saved.

Some miss the close and personal contact with friends that telephone service makes possible. Others mention the loss of many pleasant, impromptu social “get-togethers” when their friends are unable to reach them by telephone.

It is all true . . . what these customer friends of ours say: Telephone service costs so little and its value is so great that in most instances it really doesn't pay to try to do without it.

If *you* are missing your telephone . . . just get in touch with our business office. We'll send a man out with a telephone in a hurry.

Directory Advertising

EVERY Telephone in Alberta has a Directory by its side every day of the year.

* * *

The Directory is used thousands of times daily.

* * *

It is never thrown into the waste-paper basket until a new edition is issued. Probably no other publication can make a like claim to continuity of circulation.

* * *

The Telephone Directory is used for innumerable purposes—general information, correct spelling of names, street addresses, buying and selling, etc.

* *

There are many ways in which the Directory may become of additional service to subscribers—extra listings may be arranged for, by which a subscriber to Exchange Business Service may have the names of any companies he represents, or of any employee or agent, listed in the Directory, at a nominal charge and a subscriber to Exchange Residence Service may have the name of a bona-fide member of his family listed in the Directory for one dollar per line per issue.

* * *

The following Directories are issued by the Alberta Government Telephones:

Calgary and District.	Northern Division.
Lethbridge and District.	Medicine Hat and District.
	Peace River District.

* * *

Our low rates and the wide circulation of the books render Telephone Directory Advertising the cheapest and most effective form of publicity you can buy.

* * *

For further particulars and rates apply
