# CHIROPRACTIC HEALTH SERVICE

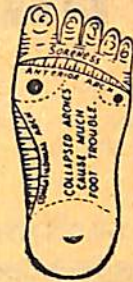

## Has a Solution for Your SORE BACK AND FEET

You need not suffer — with sore back

WE FIND THE CAUSE WITH X-RAY.

- You can see for yourself the kink in your back, the displaced hip, or the inflamed joints in your feet.
- Many people can verify the relief and comfort that is given in these conditions.

The sore, aching, tired back, or the acute, painful, disabling one is both a misery and a handicap. They are responsible for many other disorders: HEADACHES, SORE NECK AND SHOULDERS, NUMBNESS IN ARMS AND LEGS, SCIATICA, LUMBAGO, ARTHRITIS, as well as many NERVOUS DISORDERS and DIGESTIVE COMPLAINTS. The Chiropractor is specially trained and equipped to remove the cause of these disorders.

When any of the many small bones of the feet become displaced or crowded out of position it is followed by FALLEN ARCHES, SWOLLEN, ACHING, TIRED FEET AND LEGS, as well as COLD AND NUMBNESS IN THE LEGS AND THIGHS. Foot adjustments restore the fallen arches, improve the circulation, giving early comfort and welcome relief.

All Patients are Carefully Examined and Advised of the Prospects of Recovery.

# Quality

More than ever, quality counts in a Fur Coat — and you'll appreciate more than ever the unchanging standards of quality in Kraft Furs. A good reputation is slowly earned, and in order to be kept must be re-earned every day.

## Storage - Re-Styling - Relining - Cleaning

Let KRAFT'S Experts take care of your Furs. It is their only business, not a sideline. Our rates are the Lowest . . . . Our Service the Best!

## KRAFT THE FURRIER

## PLEASE CONSULT

the Telephone Directory  
Before Calling a  
Number

A wrong number called not only delays connection with the party wanted but unnecessarily annoys someone else.

Do not call information until you are certain that the number you want is not shown in the directory. By doing this you will assist a department already heavily overloaded due to war conditions to supply you with better service when you really need to obtain a number NOT in the directory.
