**DIRECTORY ADVERTISING
PAYS**

Directory Advertising

- **EVERY Telephone in Alberta has a Directory by its side every day of the year.**
- The Directory is used thousands of times daily.
- It is never thrown into the waste-paper basket until a new edition is issued. Probably no other publication can make a like claim to continuity of circulation.
- The Telephone Directory is used for innumerable purposes—general information, correct spelling of names, street addresses, buying and selling, etc.
- There are many ways in which the Directory may become of additional service to subscribers—extra listings may be arranged for, by which a subscriber to Exchange Business Service may have the names of any companies he represents, or of any employee or agent, listed in the Directory, at a nominal charge and a subscriber to Exchange Residence Service may also have the name of a bona-fide member of his family listed in the Directory at regular additional listing rates.
- The following Directories are issued by the Alberta Government Telephones:
Calgary and District. Northern Division.
Lethbridge and District. Medicine Hat and District.
Grande Prairie and Peace River Area.
- Our low rates and the wide circulation of the books render Telephone Directory Advertising the cheapest and most effective form of publicity you can buy.
