Critical Retrospective Review SINCE 1912 OF MY "CASE BOOK"

■ ■ ■ ■

WHAT YOU MAY REASONABLY EXPECT

Not what I will promise you, not what I will guarantee you, but rather—much rather—what have you done.

ARTHRITIS AND SENSE OF SMELL—Ask for a copy of a testimonial at office or by mail free; also copy of radio announcement.

INFANTILE PARALYSIS—Three cases in the United States; one baby 18 months old—paralysis of the urinary organs. Thirty minutes after adjustment the baby had a passage—no drugs—no pain—nature's way—year 1912. One case in Medicine Hat—total paralysis and total paralysis of vocal chords for six weeks—in 50 days normal—year 1927.

FACIAL PARALYSIS—Two cases. Both normal—(one in Medicine Hat)

LOSS OF VOICE—Three cases—(one see above—infantile paralysis). Two other cases—women of 45—100% results.

LOCKJAW—Two cases in Medicine Hat, both successful.

NEURITIS—A number of cases no less than 75% results.

ASTHMA AND HAY FEVER—Relief in 10 minutes if patient takes course prescribed for his individual case. No less than 75% results.

STOMACH TROUBLE—Numerous cases, almost invariably 100%.

NERVOUS BREAKDOWN—A number of cases, age up to 63. A recent case November 2, 1946. Don't fail to send for a free copy of her testimonial.

CHRONIC HEADACHES—For a period of 25 years complete cure in the course of 25 adjustments.

EYE—One case wore glasses for two years—dispensed with them. One lady 73 years of age considerably improved (but don't wait until you are 73 before you do something).

NEURALGIA—Unvarying results.

FEMALE FUNCTIONAL DISORDERS—Local examination absolutely unnecessary. Your spine will tell me your story.

SCIATIC RHEUMATISM—A lady who was given up as hopeless, a cripple for life at 43—complete cure (year 1928), but get a copy of her testimonial.

APPENDICITIS—Every case 100% results.

FOOT TROUBLES—Every patient enthusiastic.

LAME BACK—Free copy of testimonials.

LUMBAGO—Free copy of testimonials.

WEAK LUNGS—Numerous cases (up to 62 years). Ages 13 years to 55 100% beyond that age results rapidly fall.

HEART TROUBLE—A few cases. Results a low of 60%. Two cases a high of 100% or normal.

GOOD LUCK AND "GOOD HEALTH" ! ! ! !

CHIROPRACTIC HEALTH SERVICE

Has a Solution for Your
SORE BACK AND FEET

You need not suffer
—with sore back—

WE FIND THE CAUSE WITH X-RAY.

- You can see for yourself the kink in your back, the displaced hip, or the inflamed joints in your feet.
- Many people can verify the relief and comfort that is given in these conditions.

The sore, aching, tired back, or the acute, painful, disabling one is both a misery and a handicap. They are responsible for many other disorders: HEADACHES, SORE NECK AND SHOULDERS, NUMBNESS IN ARMS AND LEGS, SCIATICA, LUMBAGO, ARTHRITIS, as well as many NERVOUS DISORDERS and DIGESTIVE COMPLAINTS. The Chiropractor is specially trained and equipped to remove the cause of these disorders.

When any of the many small bones of the feet become displaced or crowded out of position it is followed by FALLEN ARCHES, SWOLLEN, ACHING, TIRED FEET AND LEGS, as well as COLD AND NUMBNESS IN THE LEGS AND THIGHS. Foot adjustments restore the fallen arches, improve the circulation, giving early comfort and welcome relief.

All Patients are Carefully Examined and Advised of the Prospects of Recovery.

DR. I. S. IRVING
