TO GLUE FURNITURE

In gluing a loose furniture joint, remember that glue doesn't provide strength in filling an open space, so first put a strip of thin cotton cloth over the piece that fits into the mortise. Then do the gluing, tie the joint firmly together and let it set for 24 hours.

PLAN AHEAD FOR TELEPHONE CONVENIENCE

EVEN AS YOU PLAN your new home or building give a thought to telephone convenience with flexibility for future telephone needs.

CONDUIT AND OUTLETS for telephone wiring, built into the walls during construction, allow you to have your telephones placed where you want them with all wiring out of sight. Changes and additions for future telephone service needs can be made easily and quickly. For further information contact
