A recent survey definitely proves —
1 out of every 7 Yellow Page Buyers
makes a personal visit to the firm
selected to buy what he wants after
he has consulted the Yellow Pages.
He is usually counted as a "drop-in"
customer by the firm.

Will your Yellow Page advertising
direct these "drop-in" customers to
you?

EXPLOSION IN OVEN?

If you burn the inside of the oven with
an exploded potato or something, soak a
cloth in ammonia and let it stay on the
burned places an hour or so, after which
you can scrape the spots clean without
harming the enamel.
