CHEESE TIP

When cooking with cheese, keep the
heat low to let cheese melt completely
and spread through the whole dish.
Cooking at high heat makes cheese
tough and stringy.

TO CLEAN YOUR FRIDGE

Salt and soda cleans and sweetens the inside of your refrigerator and will not scratch the enamel as stronger cleaners sometimes do.

FURNITURE STAIN REMOVER

If you have a piece of heat-stained furniture, apply a thin paste of salt and salad oil. Let stand for an hour, then remove. Unless the stain has really penetrated the grain of the wood, it will respond to this treatment.

PATCHING HOLES

Is there a hole in the wall where you took down the picture? Don't despair — repair! Mix equal amounts of salt and starch with just enough water to make a plaster-like paste. Holes will be covered and no one will know your salt secret.
