PAINTER'S TIP

Professional painters say the correct way to hold a brush is to grasp it comfortably near the handle base. Don't bear down on the brush. Just exert enough pressure to make the bristles flex slightly toward the tip.

STORE CAREFULLY
Preserves should be stored in a dark, dry, cool place.

AVOID GOLD
When buying a carpet avoid gold as a solid color, because gold cut pile shows foot tracks, litter, dust and fuzz and requires much more care.

DON'T WAX

Your telephone company advises against "shining up" your telephone because wax or other types of polish will dull or streak the color finish. Simply wipe with a damp, then dry cloth.
