UTENSIL TIP

Nonstick kitchen utensils, especially bakeware, should be oiled before the first use to condition the surface. One method is to wipe the surface with a paper towel soaked in salad oil.

PATCHING HOLES

Is there a hole in the wall where you took down the picture? Don't despair - repair! Mix equal amounts of salt and starch with just enough water to make a plaster - like paste. Holes will be covered and no one will know your salt secret.
