KNOW YOUR TEA?

A tea taster may be able to identify as many as 1,500 different teas. By examining a dry leaf, he can tell where the tea was grown, sometimes even the estate it came from, what time of year it was plucked, its probable taste and cost.

EASIER TO MOVE

For a jellied salad choose a mould made of tin, aluminum or copper as it is easier to unmould from these than from glass or ovenware.
