PAINTER'S TIP

Professional painters say the correct
 way to hold a brush is to grasp it
 comfortably near the handle base.
 Don't bear down on the brush. Just
 exert enough pressure to make the
 bristles flex slightly toward the tip.

FRONT COVER STORY

HARBINGER OF SPRING: For many western Canadians the welcome sight of the first prairie crocus (Anemone patens) is the most assured sign that spring is on its way. The soft, bluish-purple flowers appear on hills, open fields, and grasslands, often before the last snows of winter have disappeared. In early summer the flowers become heads of silvery plumes.

The painting on the cover of this directory, one of a series illustrating the beautiful and varied wild flowers of Alberta, was prepared by an Alberta Government Telephones graphic artist. Reprints of this and other flowers in the series are available on request.

For reprints write to: **PUBLIC RELATIONS DEPARTMENT,
ALBERTA GOVERNMENT TELEPHONES,
P.O. BOX 2411, EDMONTON, ALBERTA, T5J 2S4**

How fast can you flip?

**TRY THE *FLIPPER* TEST.
USE THE TELLTALES
TO FIND NAMES
AND NUMBERS FAST!**

Flip through your phone book. Notice the names printed in black type at the top corner of each page? They're just like the guidewords in a dictionary. We call them *Telltales*.

With them, looking up phone numbers is finger-flipping fast. *Try it.* Get the Telltales habit. You'll soon be hooked on the convenience.

Look it up yourself. It's faster!
